

FOCUS GROUP OPPORTUNITY

An invitation to contribute to the development of psychological therapy services in Hertfordshire

Hertfordshire Partnership NHS Foundation Trust (HPFT) would like to a focus group comprising 10 service users: to discuss their experiences of psychological therapies.

The service user focus group discussion will be led by Chris Munt, Chair of the HPFT Service User Council, who has experience of being accessing mental health services. Chris will provide a written report of the focus group discussion which will help guide the planning of redesigned psychological therapy services in Hertfordshire. Your views will be anonymous and no HPFT staff will be present to ensure you can speak freely.

Service User Focus Group: 4th November All at 2-3pm, Beales Hotel, Hatfield
